OFIR believes that those facts constitute activities of the Respondents that present a serious and immediate threat to the public's health, safety and welfare. OFIR believes that emergency action is clearly required to protect the public's interest. OFIR believes that the immediate harm to the public presented by the continuing operation of Respondents insurance business, as alleged below, is much greater than the potential harm to the Respondents that might be occasioned by summary action against the licenses and authorities of Respondent Adam J. Korejsza, ("Respondent Korejsza"), Respondent Lisa Ann Rock, ("Respondent Rock"), and

Respondent Manhattan Group Services, LLC a/k/a Manhattan Group Services
("Respondent Manhattan"), (collectively "Respondents").
